

## **Parking BOXX, Parking Systems & Parking Equipment Manufacturer, Receives WBE Certification**

*BOXX joins an elite group of qualified WBE manufacturing companies*

Miami, FL ([PRWEB](#)) March 29, 2016 -- Parking BOXX, a leading parking systems provider, announced today that it received national certification as a Women's Business Enterprise by the ORV-WBC, a regional certifying partner of the Women's Business Enterprise National Council (WBENC).

WBENC's national standard of certification is a meticulous process that includes an in-depth review of the business and a site inspection. The certification process is designed to confirm that the business is at least 51 percent owned, operated and controlled by a woman or women. By including women-owned businesses among their vendors, organizations demonstrate their commitment to fostering diversity and the continued development of their supplier/vendor diversity programs.

About Parking BOXX. Parking BOXX is a North American-based parking systems manufacturer. With over 50 years of experience providing parking system solutions and parking equipment, Parking BOXX accommodates the needs of small lots as well as large, complex parking systems. Parking BOXX systems reliably run sites with thousands of vehicles daily and millions in annual parking revenue.
