Bloomington, IL ([PRWEB](#)) March 31, 2016 -- Bloomington, IL and its sister city Normal are right next door to each other, yet they're two separate communities. The folks at [Don Owen Tire](#) in Bloomington would like to reach out to their neighbors in Normal and offer an oil change special targeted specifically to Normal residents. For a limited time, residents of Normal can take advantage of a \$24.95 oil change at Don Owen Tire; all they need to do is present an ID proving their residency in Normal. The oil change special applies for conventional oil, up to five quarts.

The service staff at Don Owen Tire would like to remind drivers that oil changes at regular intervals are essential for engine longevity. While modern formulations of motor oil can easily go 5-7,000 miles between changes, it's still a vital part of preventive maintenance and heads off premature engine wear and sludge buildup.
