

Win a \$20,000 Used Car Voucher from OffLeaseOnly and Support Education

The winner of the \$20,000 OffLeaseOnly Used Car Voucher will be chosen this Saturday at The Back To School Blast! charity event/fundraiser. All proceeds benefit A Gift For Teaching.

Orlando, Florida ([PRWEB](#)) March 30, 2016 -- Win a \$20,000 car voucher good towards any car in OffLeaseOnly's massive [used car](#) inventory to help raise funds for A Gift For Teaching.

With just hundreds of tickets purchased, and a maximum of 1,000 tickets to be sold, anyone who supports this charity endeavor will have an incredible chance at winning a \$20,000 used car voucher.

A \$50 donation could literally turn into a \$20,000 car voucher to use towards any used car(s) in OffLeaseOnly's inventory!

Nearly 200,000 students in Central Florida live at or below the poverty line with families that cannot afford school supplies. OffLeaseOnly partnered with A Gift For Teaching in an effort to raise funds to help these children get an education.

A Gift For Teaching provides much-needed school supplies to thousands of students in need in Orange, Seminole and Osceola Counties.

OffLeaseOnly owners Mark & Eileen Fischer have a strong passion and long history of getting involved in charity driven endeavors. The OffLeaseOnly \$20,000 used car voucher was a new idea in hopes to beat all time fundraising records.

"I wanted to do something different. Instead of giving away a car I chose, I wanted the winner to be able to sort through our entire inventory and put the \$20,000 voucher towards a car perfect for their needs," said owner Mark Fischer.

OffLeaseOnly is always looking for new ways to engage in helping local charities.

"We believe in giving back to our communities that support us with such enthusiasm," said Eileen Fischer. "The best gift for children in poverty is an education. We couldn't be more thrilled to support this charity."

Radio personality Moira has been a dedicated supporter of A Gift For Teaching for over 12 years and was delighted when Off Lease Only approached her to partner up on a charity endeavor.

"I am the ultimate matchmaker! I am partnering the best charity with the most generous used car dealership, and am so proud to represent them both," Moira said. "This charity makes significant changes in the lives of our future citizens, our neighbors, our communities. The kids they help do NOT have school supplies. I am talking about pens, pencils, crayons and markers."

The sum is significant because for every dollar A Gift For Teaching receives, \$10 worth of school supplies are distributed to students in need. That means "A Ticket to Ride" could raise enough money to provide \$450,000+

in school supplies if every ticket is sold!

With thousands of used cars for sale, all priced thousands below retail, \$20,000 goes a long way at OffLeaseOnly!

Whether you choose two cars priced under \$10,000 or put the \$20,000 towards that luxury vehicle you've always dreamt of, the lucky recipient is sure to be pleased with this shopping spree!

The drawing will take place this Saturday, April 2nd at The Back To School Blast! happening at Rosen Shingle Creek.

Tickets are still available to attend this annual event, and tickets for the \$20,000 voucher are available online.

Have you gotten your ticket to ride? Don't delay! A \$20,000 OffLeaseOnly used car voucher could be closer than you think!
