

## **SAE Digital Library Re-launches as SAE MOBILUS™ – The Destination for Mobility Engineering Resources**

*SAE International announces the re-launch of the SAE Digital Library to the SAE MOBILUS™ platform in June of 2016.*

WARRENDALE, Pa. ([PRWEB](#)) April 12, 2016 -- SAE International announces the re-launch of the [SAE Digital Library](#) to [the SAE MOBILUS platform](#) in June of 2016.

The SAE MOBILUS platform will improve users' discovery and application of SAE International's mission-critical content. Designed for students, engineers and instructors worldwide, SAE MOBILUS™ will deliver more features and capabilities.

Featuring more than 200,000 technical papers, standards, books, magazines and more, the SAE MOBILUS platform will deliver trusted, relevant information to help you solve project challenges and streamline your workflow. The user-focused platform enables subscribers to work collaboratively across your organization/institution; increase speed to market; ensure quality and safety and access peer-reviewed research on a wide range of technologies.

The SAE MOBILUS platform was created with the user in mind. This platform's powerful new content and features include:

- Full-text search
- HTML Linking
- Redline Standards
- Language Translation
- Annotations
- Data Sets
- 2D/3D Configurator and Graphic File Download Options
- Video
- Professional Development Content
- Enhanced user interface
- Personal Dashboard (including: saved search, recent activity, favorites, and annotations)
- Enhanced reporting features

To see what's next with the SAE MOBILUS platform, visit <http://saedigitallibrary.org/seewhatsnext>.

SAE International is a global association committed to being the ultimate knowledge source for the engineering profession. By uniting over 128,000 engineers and technical experts, we drive knowledge and expertise across a broad spectrum of industries. We act on two priorities: encouraging a lifetime of learning for mobility engineering professionals and setting the standards for industry engineering. We strive for a better world through the work of our philanthropic SAE Foundation, including programs like A World in Motion® and the Collegiate Design Series™.
