Compton, California ([PRWEB](#)) April 14, 2016 -- [4 Wheel Parts](#), the global leader in off-road performance product sales and installation, is boasting two significant grand reopenings this Saturday, April 16 at its Calgary, Canada and Tacoma, Washington retail stores. Both locations have been upgraded with state-of-the-art showrooms and installation facilities that cater to the off-road enthusiasts in the western Canadian and U.S. Pacific Northwest regions, respectively. Calgary is among the 7 Canadian 4 Wheel Parts stores and Tacoma joins the company's total of 74 stores serving off-road enthusiasts throughout North America.

Admission to both of the reopening events is free and 4x4 fans will get an in person look at new truck and Jeep products from popular manufacturers like Poison Spyder, [Nitto Tires](#) and Rugged Ridge. A variety of products will be discounted at the family-friendly gatherings and onsite ASE-certified technicians will honor installation deals on select parts.

“Our Calgary store joins the lineup of 4 Wheel Parts locations that have been renovated with a modern, updated look and the reception from our customers has been exceptionally positive,” says 4 Wheel Parts West Canada Regional Manager Brad Gilbert. “As the highest-volume store in Canada, this expansion, including an increase to six new bays in our service center, demonstrates our continued commitment to providing our customers with a best in class off-road retail shopping experience.”

The celebrations at Calgary and Tacoma will feature special events for attendees including hourly giveaways, chances to win \$500 shopping sprees, car crushes and appearances by local 4x4 clubs. As 4 Wheel Parts' national expansion progresses, these locations increase the company's number of retail stores across the United States and Canada to 74.
