

Windsor Storage Adds Two New Trucks to its Fleet

Michael Stephens, owner of [Windsor Storage](#), expands the self-storage company with two new moving trucks.

Windsor, CA ([PRWEB](#)) April 19, 2016 -- Windsor Storage recently announced it has expanded its operation with the addition of two moving trucks. “With our trucks, our clients can move their items to Windsor Storage, without having to rent an expensive U-Haul van or truck,” said Michael Stephens, owner of Windsor Storage.

Windsor Storage, which is family-owned and operated and has been providing self-storage for over two decades to Sonoma County, now has a total of five moving trucks. Some of their moving trucks include hydraulic lift gates, which makes loading much easier.

“We also offer a free moving truck for 24 hours, 24 miles,” said Stephens. “We pride ourselves on being large enough to service and small enough to care.”

About Windsor Storage

Windsor Storage, which has live-in management, offers a full range of storage needs. It includes your own lock and key, yard lights, gated access and security cameras, low-cost boxes and moving supplies.
