

OPGI Releases Nine New 2016 Restoration Parts Catalogs

OPGI is pleased to announce the availability of the 2016 editions of nine new restoration parts catalogs

Seal Beach, Calif. ([PRWEB](#)) May 12, 2016 -- Original Parts Group, Inc. (OPGI), the industry's leading supplier and manufacturer of restoration and high-performance parts for classic GM cars since 1982, is pleased to announce the availability of the 2016 editions of nine new restoration parts catalogs. From interior and body parts to engine parts, sheet metal, bright trim and everything in between, OPGI offers the widest selection and best prices on the highest-quality parts for the most popular GM classics.

OPGI now offers full-color 2016 restoration parts catalogs for the following classic GM cars: 1964-77 Chevelle/El Camino, 1954-76 Cadillac, 1978-88 El Camino, Monte Carlo/Malibu, 1970-77 Monte Carlo, 1964-73 GTO, 1961-73 Tempest/LeMans, 1961-77 Cutlass, F-85/4-4-2, 1961-72 Skylark, Special, GS and GSX, 1963-76 Rivera, 1962-77 Pontiac Grand Prix & 1959-76 Bonneville/Catalina. OPGI restoration parts catalogs are comprehensive automotive resources packed with valuable information, helpful tips and insights, making them valuable restoration tools in their own right. All nine OPGI catalogs are completely free and available by mail, phone or through the OPGI website.

Original Parts Group, Inc. is the GM restoration and performance source! Celebrating over 34 years of manufacturing and retailing the highest quality restoration parts and accessories, OPGI is recognized as the nation's number one supplier and manufacturer of classic GM parts and is committed to maintaining that reputation and serving the needs of its customers for years to come.
