

American Tire Company Offer Unbeatable Tire Discounts

American Tire Company wants to emphasize the importance of getting new tires when you need them, and recognize their loyal customers, at the same time, by selling tires at cost.

([PRWEB](#)) May 19, 2016 -- American Tire Company is well known for providing premium brand tires at affordable prices. They also recognize that at times their loyal customers deserve an extra benefit. Once a year, American Tire Company offers deep discounts on their tires as a way to give back to those loyal customers and this year is going to be no exception because they are doing it again. Starting on May 19th through May 30th all American Tire Company locations will be selling select passenger and light truck tires at their cost. They are passing their savings directly to their customers. For more details and pricing, you can stop by your local American Tire Company store or visit their website at <http://american-tire.com/>.

American Tire Company wants to emphasize the importance of getting new tires when you need them. According to the National Highway Traffic Safety Administration, 11,000 crashes per year could have been prevented if the vehicles' tires were not worn out or underinflated. By making purchasing tires more affordable than ever, American Tire Company hopes that those who need new tires will take advantage of the sale and help them in promoting safety on the road.
