

Bretz RV & Marine Billings Hosts Flag Dedication Ceremony June 9th

Bretz RV & Marine in Billings will be hosting a flag raising ceremony that is open to the public from noon to 3pm on June 9, 2016 in order to celebrate National Camping Month and the centennial of the National Park Service.

Billings, MT ([PRWEB](#)) June 06, 2016 -- Bretz RV & Marine is kicking off the summer season with a public flag raising ceremony at their new dealership constructed at 2999 Old Hardin Road. This free event is open to the public and will be attended by Governor of Montana Steve Bullock, local media, and various non-profit organizations, armed forces and veteran groups. The raising of the flag is specifically dedicated to all those who have served this country in the past, are currently serving, or will serve in the future.

This special ceremony also reflects Bretz RV & Marine's interest in creating awareness for National Camping Month during the month of June, as well as the National Park Service Centennial as 2016 marks the year of its 100th birthday. June represents the beginning of summer and, of course, the best time of year for outdoor recreation and RVing. The event lasts from noon to 3pm, with the flag-raising ceremony from 2:15pm to 3:00pm. Over one hundred people are expected to attend and will generate local media coverage for the city of Billings.

“At the dealerships, we are privileged to work with many individuals who have or are currently serving our country. We felt by raising this flag in Billings, we could share our appreciation for the freedoms we are all able to enjoy. We want to say thank you for the sacrifices made by the men and women who have dedicated themselves to serving our country,” says Dustin Bretz.

Just a half a mile down the road from the old location, the new Billings dealership offers more room for special events such as this ceremony, as well as larger inventory and service to the Billings area. The dealership, stretching 35 acres, is accessible from Billings Exit 455 on I-90. Its massive 40,000 sq. foot space is home to the Sales, Parts, and Service Department, complete with a dedicated RV collision center, second story showroom, hundreds of RVs and boats in the outdoor lot, and even an indoor day care center for parents.

About Bretz RV & Marine:

Bretz RV & Marine first started in 1965 when Frank and Vi Bretz brought their first Aloha Trailer and began operating a service station in Missoula. Eventually passing on ownership to their two sons Mark and Dave, the family-owned dealership now boasts over 55 years of experience and a location on North Reserve with a recently expanded 20,000 square foot showroom. Today, Bretz RV & Marine currently has three different locations in Missoula, Boise, and Billings. Also, the dealership is proudly recognized as the largest RV & Boat Dealer in Montana, Idaho, Eastern Washington, Wyoming and the Dakotas. Equipped with an extensive selection of RV and Marine vehicles, 26 fully equipped service bays, a dump station, Parts and Body shop, 99cent propane, and the dealership in Montana with the most RVDA technicians under one roof, Bretz RV & Marine continues to set the highest standards in customer service.
