

RNR Tire Express and Custom Wheel Franchising Announces Agreement Expansions

[RNR Existing Franchisees Have Expanded Territory Agreements With 75 New Stores](#)

Tampa, Florida ([PRWEB](#)) June 07, 2016 -- The best indication of a franchise's overall success is when existing franchisees expand their territory agreements by adding new territories. As new [RNR Tires Express and Custom Wheel franchise](#) stores are opening throughout the Southeast and Midwest—three existing franchise owners have agreed to add 75 stores in the next 10 years to their existing multi-unit franchise agreements. Combined with current commitments and existing stores RNR is poised to surpass the 250-store mark by 2018.

“The three owners who have added stores have been terrific franchisees in our system.” Said Larry Sutton, Founder and CEO of RNR Tire Express and Custom Wheel. “It makes me feel good to know that our system is growing by ensuring that our existing owners can continue to expand their stores into new areas.” Shannon Strunk currently owns stores throughout the Southeastern United States and has signed an agreement to add 58 locations. David David from Indiana will add 5 new locations and the Rose Family will add 12 stores in the Virginia area.

“We are on track to have between 95-100 stores opened at the end of 2016.” Said Vince Ficarrotta, VP For RNR. “We have had enormous interest from investors who want to get into the business and I would suspect that we continue to grow at significant rate over the next 5 years.”

RNR Tire Express and Custom Wheels has become notable in the tire industry by offering retail, lease-to-own and other payment options to those who need to replace their tires and want to keep their cash or desire to customize their vehicle with Custom wheels and performance tires. “In today’s economy, purchasing a new set of tires has become prohibitive for many consumers and RNR provides options that make the transaction affordable.” Added Sutton.
