

North America Fleet Services LLC adds another product to help the transportation industry from "sea to shining sea"

North America Fleet Services LLC, a leading provider in web-based Emergency Road Side Assistance and Fleet Services for all of North America now offers Accounts Receivable Funding

([PRWEB](#)) February 21, 2002 -- North America Fleet Services LLC, a leading provider in web-based Emergency Road Side Assistance and Fleet Services for all of North America announced today that it has signed a long-term partner agreement with Prime Financial Services, Inc. to bring a very attractive accounts receivable funding product to vendors and customers. Prime Financial Services, Inc., is a subsidiary of TransPlatinum Service Corp.. Both are owned by National Commerce Financial Corporation (NYSE:NCF), one of the top performing financial institutions in North America with more than \$18 billion in assets. This partnership is an important step toward increasing cash flow and growth opportunities for our customers and to fleets in the trucking industry”, said Brenda F. Niswonger NAFS President/CEO.

NAFS is a web-based fleet management company, providing service to commercial truck drivers and fleet operators via custom integration of information technology. Customers may log on the NAFS web site to view the actual road failure, change their customer instructions, and run month-to-date, year-to-date and life-to-date reports, all from the comfort of their office, in real time.

Best of all there are no sign-up fees or annual dues and enrollment is FREE!
