MIAMI, FL ([PRWEB](#)) June 20, 2016 -- Family-owned used car dealer [Florida Fine Cars](#) has achieved the impressive ranking of 10th in the nation for independent used cars sales, according to a survey by Auto Remarketing Magazine. The accomplishment affirms the tenacious company's business savvy in the highly-competitive used car market.

The dealership also nabbed the overall national ranking of 61st for all used car sales. With stores in Miami, Hollywood and West Palm Beach, Florida Fine Cars continues to climb in national rankings as it garners a bigger and bigger portion of a used car market populated by mega-dealerships.

The recent rankings are based on total year sales for 2015, according to Auto Remarketing Magazine.

“We have continued to grow year in and year out, with 2015 being our best year yet! We work very hard and we're quite proud to be in and amongst the most successful automotive dealerships in the country,” said company spokesman Jamie Suid.

The customer-friendly used car dealer's growth is visible. Florida Fine Cars recently expanded north into Palm Beach County in October 2015. The company opened a huge new store in West Palm Beach to better serve its growing customer base. The new facility offers an elegant showroom, comfortable seating and plenty of room to browse, just minutes from Florida's Turnpike and Palm Beach International Airport.

Convenience, quality and superb customer service are the essence of the Florida Fine Cars customer experience and are what keep bringing buyers walking through the showroom doors.

“Our success is a testament to our ongoing commitment to customer service,” Suid said. “Certainly we would not have grown to such a level without listening to our customers' needs and adjusting certain aspects of what we do accordingly. With the first half of 2016 essentially gone, we can already tell this year will be another record breaker!”

Florida Fine Cars is known nationwide for its impressive inventory of competitively-priced high line cars as well as its top notch customer service. Florida Fine Cars doesn't charge dealer fees and doesn't negotiate price. Customers who shop at Florida Fine Cars enjoy an atmosphere of no pressure.
