

## **Inteva Products Recognized by Corp! Magazine as one of Michigan's Economic Bright Spots**

*The company is pleased to be recognized for the second year in a row*

Troy, Michigan ([PRWEB](#)) June 30, 2016 -- Inteva Products, LLC, a leading global automotive supplier of engineered components and systems, is pleased to share that it has been selected as one of Corp! Magazine's annual "Michigan's Economic Bright Spots" for the second year in a row. Winners were chosen based on the continuation of economic growth and expansion within their company.

Inteva provides Interior Systems, Roof Systems, Closure Systems and Motors & Electronics Systems to the world's leading global automakers. Inteva understands the significance of having value-based and environmentally friendly products for their customers that improve overall quality and performance.

Inteva was recognized in the large business category for its continued expansion and the new jobs it has filled with Michigan talent throughout the past year. Inteva's innovative material technologies, processes, and application of product knowledge create safe, reliable and high-performing products that deliver value. The company provides a workplace environment where skilled, dedicated employees work collaboratively to design, engineer, manufacture and supply high-quality products and services.

Corp! Magazine honored all 2016 winners at the VisTaTech Center in Livonia and in the online ePublication on June 23. The magazines July/August print issue will also feature the winners.
