([PRWEB](#)) January 27, 2002 -- LARGER SUPERLITE WHEELS AVAILABLE IN NORTH AMERICA  
Open Mind Associates Exclusive US Importer

Today An Open Mind Associates, INC (OPMD.COM) announced immediate availability of the Superlite Classic Wheel in 15 x 6, 15 x 7 & 15 x 8 inch sizes in North America! Timeless in design, Performance Superlites are the most sought after Classic wheel design! Now classic sport car owners, racers and US Muscle car owners can have that classic Superlite look! Available in Gold, Silver and Charcoal colors, genuine Performance Wheels Superlites are made to order in most offsets and PCD configurations. Racing purpose steel tapered inserts available upon request

Only Genuine Performance Wheels Superlites are engineered for race and road conditions with a history to match. Protect your investment - Beware of imitations.

These same Superlite Wheels are available in sizes 10" up to 14" also, for smaller car applications! All wheels include lugnuts and center-caps; please contact Open Mind for details. Dealer & club inquires along retail sales can be directed to [sales@opmd.com](mailto:sales@opmd.com) or phone 973.514.1306 or fax 973.514.1991 Phil Dorsey

For more information visit the website: <http://www.opmd.com>
