

Factory OEM Shop Manuals on CD-ROM for Classic and Antique Cars at Advanced GearHead

Factory OEM Shop Manuals converted to CD-ROM for Classic and Antique Cars are now available at our site

([PRWEB](#)) May 10, 2002 -- Advanced GearHead, A leading online classic car Mega-Site located at www.gearheadcafe.com, Now offers Factory OEM Automotive Shop Manuals on CD-ROM for 1909-1979 GM, Ford, MOPAR cars & trucks.

Our factory CD-ROMs provide written technical information and include all of the original illustrations and text for a fraction of the cost of the old style paper manuals, (IF you can even find the paper manuals!), There are over 300 different CD titles available to choose from, You will no longer need several paper manuals to do the job, Our CD's include ALL manuals specified for your year make and model, Some CDs contain up to 5 paper manuals on 1 CD to be complete. This will give you the ability to view ALL of the technical information from your personal computer and then simply print out the page or pages you need, use them, and either file them or toss them. It take seconds to find what you need and they will last indefinitely!

When restoring or maintaining your classic auto it is no longer necessary to waste your time and money looking for all those old shop manuals, or dealing with the greasy pages using old style paper manuals, Advanced GearHead has the Factory original OEM manuals on CD-ROM for your application in stock and ready to ship today. We offer 100% secure online ordering. (dealers welcome, distributors wanted!)
