

Classic Car Round-Up at Randy's in Everett, August 13th

The Service Center at Randy's Ring & Pinion is holding a classic car round-up on August 13th for American classics, customs, muscle and rods. See awesome rides from local enthusiasts, clubs, and racers or bring your own to enter the open entry best in show contest!

Everett, Washington ([PRWEB](#)) July 07, 2016 -- The Service Center at Randy's Ring and Pinion will be hosting a classic car round-up for classic American autos this August 13th. Following up on their successful off-road show on April 2nd, this event will be geared towards classic, custom, muscle and rods. Local car clubs and enthusiasts are invited to join the festivities and to bring their cars for a meet & greet with other auto enthusiasts in the area and to take part in the Best-of-Show contest. There's no fee for entry and the best of show winner will receive a \$250 gift certificate redeemable for any parts purchase through RANDYS Worldwide, the nation's leading aftermarket distributor of differential and drivetrain parts.

The festivities will include feature vehicles on display from local owners and racers as well as live undercar workshops to demonstrate proper techniques and tips for rebuilding, repairing or upgrading your rear end and drivetrain system. Exclusive event-only parts specials will be ongoing throughout the day, so be sure to stop by if you're currently wrenching on your vehicle!

Food and drink will be served, raffle prize drawings throughout the day, and fun activities for kids. Bring the whole family down to Randy's for a summer day filled with horsepower and hot cars!

Click 'Going' on our Facebook Event page by August 6th to receive a free T-Shirt when you arrive at the show (limit first 100 guests).

10411 Airport Rd, Everett WA 98204

About the Service Center at Randy's Ring and Pinion

The Service Center at Randy's Ring and Pinion has been helping northwest drivers get back on the road for over 30 years. Randy's specializes in differential and drive train service, making them the shop to trust for these critical and complex systems. Located within the RANDYS Worldwide headquarters in south Everett, Washington, the shop has direct access to thousands of parts for differentials and drivelines. Russ Compton is your shop manager, bringing decades of experience and knowledge to the table, as well as a passion for classic muscle cars.
