

Sean Stapleton announces his new seminar for Dispatchers, Managers & Operations personnel of trucking companies.

One-day, group participation seminar that will sharpen the skills of your Dispatchers, Managers and Operations Personnel of trucking companies presented by Sean Stapleton.

([PRWEB](#)) August 6, 2002 -- Sean Stapleton, trucking company consultant and author of *Proactive Roadmap to Operations* announces his new seminar focusing on the important aspects of day-to-day issues dealing with trucking, driver retention, time management and problem solving. The seminar is a persuasive class of hands-on easy to follow coaching that will zero in on essential skills, transforming Dispatchers into effective Managers. Sean will report to your place of business to hold a one-day, group participation seminar that will sharpen the skills of your Dispatchers, Managers and Operations Personnel. The sections that are covered are as follows:

1. Driver Retention
2. Time Management
3. Dealing with Stress
4. Positive Involvement within the Workplace
5. Getting Cooperation from other Departments
6. Speaking to groups
7. Problem Solving

Awards will be given for the top two attendees for Personal Progress and Admiration.
