The Westlake Yacht Club would like to invite all the members of the community to our 10th Annual Charity Regatta and Classic Car show on Saturday, August 9, 2003. Doors open at 8:00AM with the car show starting at 10:00A.M. There is no admission charge.

This year we are going to have a 9-hour sailboat race, kayak races, lively entertainment throughout the day, delicious breakfast, lunch and dinner, as well as fabulous merchandise, collectibles, trips and services that will be auctioned off. Our silent and live auctions are always very popular and a lot of fun because of the wide variety of quality items that will be offered at very low prices.

Our 9-hour sailboat race always adds many donation dollars. If you enjoy sailing and would like to participate, please help crew one of the boats, we always need lots of sailors. We also need kayak racers, so you are interested please call 818 879-0612 for more information.

Last year's car show had over 50 beautiful classic and specialty cars and many trophies were awarded to the proud owners of the winning cars. We welcome any of you who would like to enter, just call 805 495-6823 for more information.

The worthy charities that we have been helping are Casa Pacifica, home to over 50 abused children who are between the ages of infant to 18 years. Casa Pacifica is a port in a storm for these disadvantaged children.

Create-A-Smile's volunteers take their dogs, cats, rabbits and even miniature horses to Ronald McDonald Houses, hospitals, senior centers, abused women centers and other facilities that take advantage of the calming and healing effects of the human-animal bond. This powerful therapy has been proven to be extremely effective on people of all age groups.

The Santa Monica Bay Sailing Foundation supports and promotes youth and adult sailing at all levels, providing the opportunity for training, scholarships and grants. In addition, SMBSF supports several local high school and college sailing team programs and will help send 2 Sailing and Special Olympian children to the 2003 World games in Ireland. One of their main goals is to help children who do not have the opportunity to be on the water, experience the joy of sailing.

Please join us for a fun filled day that will be enjoyed by the whole family. 818 889-4820
