

## **AMA Racer KURT MARMOR SIGNS NEW DEAL WITH GAS GAS**

*Kurt Marmor , the springfield, Illinois AMA pro motorcycle racer signs deal with Spanish Motorcycle manufacturer GAS GAS .*

([PRWEB](#)) August 2, 2003 -- (Springfield, IL) Springfield, Illinois native and Professional AMA motorcycle racer Kurt Marmor is pleased to announce his new relationship with Hall's Gas Gas of Springfield, Illinois and motorcycle manufacturer, 'Gas Gas of North America'. Kurt Marmor becomes the first rider in AMA Pro Racing history to be backed with factory support from Gas Gas Cycles.

Gas Gas ( Spanish Motorcycle Manufacturer ) will offer full factory support with the latest bikes, technology and mechanics thru Hall's for Kurt Marmor to compete in the American Motorcyclist Association's National racing series. 'The Red Bull Supermoto Series', will be broadcast on the Outdoor Life Network. Supermoto is wildly popular in Europe drawing crowds of 30 to 50 thousand people per arena. It combines dirt, road and jumps on one race track 3/4th of a mile long.

Kurt Marmor, who resides in Springfield, IL and is in his 12th year of professional motorcycle racing, has spent the last 5 years competing in the AMA Superbike Series. Before that he could be found taking the checkered flag on the dirt tracks of the Midwest, including the Springfield Mile.

Marmor says he is happy the deal is done early so that he can now concentrate on the remaining races this year and assist in the search for a major sponsor. 'I'm very excited about my new relationship with Hall's and Gas Gas. The guys at Hall's believe in me and I believe in them and their products', Marmor said. With their assistance and my experience we can't help but win', he said.

This new series will take America by storm in popularity and excitement. There's not one place on the track that the fans can't see the action,' said Kurt. Marmor's first race for Hall's and Gas Gas will be August 30 at South Boston Virginia. He will then finish out the rest of the 2003 season and prepare for a full season in 2004.
