([PRWEB](#)) August 23, 2003 -terrain vehicles (ATVs) courtesy of Green Bay Motorsports in Ashwaubenon.

Members of the Department will use these "four-wheelers" for patrol duty in places where police car access can be difficult. These ATVs have been equipped with red and blue lights and first aid gear.

"We're grateful for this significant contribution to the Village," said Lieutenant Kenneth Raupach, Department Media Relations Officer.

"We'll use these ATVs initially during Packer football games to help us patrol and answer calls in areas gridlocked by traffic and pedestrians. We'll have plenty of opportunities to put them to use at other events later this year."
