

Former truck driver announces new tour service of UK.

Former truck driver offers personal tour of England without the constraint of traveling in a tour group.

([PRWEB](#)) September 8, 2003 -- After years on the road former truck driver and lifelong resident of England Phil Hadland is offering his knowledge of the English countryside to visitors from outside of the UK.

The Real England Tour Company provides access to all the sights and scenery of the United Kingdom without the constraints of traveling in a tour group.

From collection at London's Heathrow Airport to arranging accommodations for your party to his personal chauffeur service visiting only the sights YOU want to see, Mr. Hadland provides a unique and customized travel experience specially fit to meet your needs.
