

## **Nonprofit Group Gives Away Motorcycle and \$16,000 to Help Sick Kids**

*The HUGS and HOPE Foundation for Sick Children is raffling a 2002 Indian Spirit and ten cash prizes totally \$16,000*

([PRWEB](#)) September 11, 2003 -- You can register to win a classic 2002 Indian Spirit motorcycle or \$15,000 in cash prizes while helping sick children at the same time!

The HUGS and HOPE Foundation for Sick Children is sponsoring a raffle with ten great prizes. First prize is the motorcycle. Second prize is \$5,000 cash. Third and fourth prizes are \$2,500 each and fifth through tenth 750 chances will be sold, so your odds of winning are very good.

Tickets are \$50 each. Hugs and Hope Director, Marsha Jordan of Harshaw acknowledges, "The price of a chance is steep, but the odds of winning are very good; and if groups get together to purchase a ticket, the cost isn't so much for each individual." Jordan went on to explain the reasoning behind the raffle. "We wanted to keep the number of tickets sold down as low as we could so that people feel they really have a chance of winning. Those who enter the contest won't be competing against thousands of others."

Tickets can be purchased online at [hugsandhope.com/bikeraffle.htm](http://hugsandhope.com/bikeraffle.htm) or checks may be mailed to HUGS and HOPE at 4550 Horsehead Lake Road; Harshaw, WI 54529. Include a self-addressed, stamped envelope and your ticket will be sent to you by return mail.

Jordan adds, "Remember this is basically a donation to a worthwhile cause that needs your help; and you have a good chance of winning some fantastic prizes as a side benefit."

The goal of The Hugs and Hope Club is to put smiles on the faces of critically ill children who might not otherwise find much to smile about.

"Your donation can bring joy into the life of suffering little ones," said Jordan, "and that is a reward in itself."
