

## **Briggs Dodge Announces that 5 Dodge Models Earn IIHS Top Safety Picks**

*Five Dodge vehicles make the list for 2012 models from the Insurance Institute for Highway Safety*

Topeka, KS ([PRWEB](#)) January 05, 2012 -- Briggs Dodge- one of the leading [Dodge dealerships in Topeka](#), Kansas would like to announce that recently five Dodge vehicles were named to the Insurance Institute for Highway Safety's annual Top Safety Picks list for 2012 models. The models that were honored include the Dodge Grand Caravan, Durango, Charger, Journey and Avenger. The IIHS recognizes vehicles that perform the best in protecting drivers and passengers in front, side, rollover and rear crashes. The testing results are based on a "good" rating in a series of tests.

Not only did five Dodge models earn the coveted Top Safety Pick award, but two of the models have been named to their fourth consecutive list. The Dodge Avenger and Journey have surpassed the competition and have made the list four straight years, which is a major accomplishment.

To earn a Top Safety Pick vehicles must score well in a series of tests conducted by the Insurance Institute for Highway Safety. These vehicles must also be equipped with electronic stability control systems to be eligible for the list.

Briggs Dodge is extremely pleased to see these five Dodge vehicles on the Top Safety Pick list. They have a large inventory of [Dodge vehicles in Topeka](#), KS and would be happy to let customers test-drive these vehicles. Briggs Dodge also has many [used cars in Topeka](#).
