

## **Walnut Ridge Family RV Sales Kicks Off 2012 with the Indiana RV Expo**

*Walnut Ridge Family RV Sales Combines Their Own RV Event with the Indiana RV Expo*

Indianapolis, Indiana ([PRWEB](#)) January 06, 2012 -- This January, two RV Shows join to offer customers a complete RV shopping experience. Walnut Ridge Family RV Sales has decided to combine their January RV Show and Sales event with the Central Indiana RV EXPO, January 7 - 15, 2012 at the Indiana State Fairground.

This is the first time in 12 years Walnut Ridge will not host their own event. "We felt the combined show would be the best experience for the customer to be able to see more RVs in one show", said Nathan Hart, owner of Walnut Ridge RV. The show provides the consumer the ability to compare many RV brands against each other quickly. Brands to be represented include Raptor, Cougar, Montana, Outback and Passport.

2011 was a good year for RV sales, but Hart thinks 2012 will see more families become RV owners. He says, "Family's see camping as a cost effective way of being together each weekend. That is why we believe 2012 will be an even better year than 2011."
