

## **Briggs Supercenter Offers Wholesale Car Sales in Kansas**

*Briggs has a new website that makes it easy for customers and dealers to get great deals on wholesale cars.*

Manhattan, KS ([PRWEB](#)) January 07, 2012 -- Briggs Supercenter is one of the leading [used car dealerships in Kansas](#) and they pride themselves on turning out high-quality, used vehicles for customers. Many times customers come in to Briggs stores to trade in a vehicle, but Briggs only re-sells a small portion of these vehicles. While the Briggs Auto Group cleans up, repairs and makes ready for the lot the trade-in vehicles that come to Briggs Supercenter, some of these vehicles are wholesaled.

Briggs only wants the highest quality, low-mileage pre-owned vehicles for their lots and while they get hundreds of trade-ins, only a small amount can be sold on the lot. This is where Briggs Auto Direct comes in. Briggs Auto Direct is a new website and wholesale car portal that allows consumers and other dealerships to purchase wholesale vehicles directly from Briggs instead of going to an auction. With Briggs Auto Direct, buyers just need to make an account and log on to [www.briggsautodirect.com](http://www.briggsautodirect.com) to purchase wholesale vehicles that have not had any work done on them but are still quality cars, trucks and SUVs.

With Briggs Auto Direct state-of-the-art kiosks located at Briggs Supercenter, used car buyers can log on directly to the portal to purchase or bid on cars. This is a great opportunity for those Kansas buyers who are looking for a great deal on a quality used vehicle.
