

Bad Credit Auto Loan Shoppers Can Now Update Their Old Car with Valley Auto Loans

Customers shopping for cars who may have bad or poor credit don't have to settle for a used car if they don't want to. <http://valleyautoloan.com/> now offers bad credit auto loans for new cars as well as used.

Houston, TX ([PRWEB](#)) January 04, 2013 -- Getting a car for those with bad, poor or no credit doesn't have to be a huge headache. The experts at Valley Auto Loans work with hundreds of banks to help applicants acquire the loan that they need for used cars and now also offer approvals for new cars, trucks and other vehicles. Bad credit loan applicants no longer have to settle for a vehicle that they will just need to replace in a year or two because of the low quality. They are now able to get the financing for the new car they need without the hassle and frustration of personally going into local banks or car dealerships for the loan.

Valley Auto Loan's car loan application can be found at <https://valleyautoloan.com/apply-now2/>

Considered by many to be the [#1 auto finance service](#) and online lender, Valley Auto Loans continues to raise the quality of financing and ease in which applicants are able to obtain their auto lending regardless of credit history. More applications have been approved for car loans at Valley Auto Loans than at any time in the past because they offer car loans to people with good credit, bad credit and no credit. Consumers with credit problems have found that Valley Auto Loans approved their loans faster and easier than any lender before.
