

Performance Mobility Announces Oktoberfest on Saturday, October 8th 2016

Oktoberfest is an annual event featuring many local vendors.

SALT LAKE CITY, UT ([PRWEB](#)) October 06, 2016 -- Performance Mobility in Sandy, Utah announces Oktoberfest on Saturday, October 8th, 2016. The Third Annual Customer Oktoberfest is an event the Performance Mobility team eagerly anticipates every year. There will be local vendors joining the Oktoberfest event. The Sandy location is at 9082 South 300 West from 11am to 2pm.

The Utah team looks forward to having the opportunity to show customers a great time and appreciation for their loyalty and business. There will be a delightful lunch including bratwurst, beverages, a drawing for door prizes including tablets! You will be able to see the new 2016 Toyota Sienna and 2016 Dodge Grand Caravan wheelchair accessible mini-vans. The Ram Promaster is a larger vehicle that offers multiple seating configurations with a lift installed in the back. There is a large selection of used vehicles that you must come and see along with discounts. Another wheelchair accessible vehicle at the Utah store is the BraunAbility MXV. The first wheelchair SUV is unlike any other wheelchair accessible vehicle! The BraunAbility MXV is built on the Ford Explorer. It is unique and unlike anything else on the market. These handicap vehicles have been designed from the ground up with wheelchair users and service providers in mind. Come see the BraunAbility MXV and go for a test drive!

The brand new wheelchair accessible vehicles will be available and there is always a great variety of pre-owned converted mini-vans to suit any wheelchair or scooter user's needs. As well as mini-vans that have lowered floors and converted, there are many products that we offer to make a customer's every day life as easy as possible! The Performance Mobility team hopes to see you on Saturday, October 8th, 2016.

About Performance Mobility:
