

Collision Claim Associates, Inc Celebrates Its 10 Year Anniversary

Collision Claim Associates is celebrating 10 years serving customers with vehicle appraisal services.

Cumming, GA ([PRWEB](#)) January 05, 2014 -- January 2014 marks the 10th anniversary in business for Collision Claim Associates, Inc. Collision Claim Associates, based in Metro-Atlanta Georgia, provides independent vehicle appraisal services as well as claim consultation services primarily to vehicle owners nationwide. The company's primary focus is in the appraisal of vehicle diminished value after a collision and subsequent repairs. They also do appraisals of total loss vehicles when there is a dispute over the value of a vehicle.

Richard Hixenbaugh, the company's Founder, President and Senior Appraiser says, "We are excited to be celebrating 10 years of vehicle appraisal excellence. It has been and will continue to be our pleasure to assist people when they need it the most after a car accident. Consumers finally have the ability to level the playing field by utilizing the services we provide. When a consumer utilizes our services they will generally receive significantly greater compensation than was originally offered by the insurance company for their vehicle's loss in value."
