

Dennis Mabry Resigns from Sparrowfoot

Mabry calls it quits with Sparrowfoot Fire and Rescue.

Elgin, OK ([PRWEB](#)) January 19, 2004 --Sparrowfoot Fire and Rescue Inc. has lost their company spokesperson and Director of Public Relations. Dennis Mabry announced today that he was resigning for personal reasons from the company he helped put on map of the racing industry.

Mabry is going to work with Autozone the nations largest retail automotive parts network in the country. Mabry says,"Sparrowfoot was not going where we had planned it to go. There is just too much fighting within the company structure. I will not be involved with something I feel I no longer belong to."

Mabry wishes Sparrowfoot good luck in future and will not leave racing all together. " I will still stay very involved in racing world. I have plans with some major investments of my own and we'll see where that will take us."

Sparrowfoot is rumored to have accepted an offer from Cheech and Chong's PR agent to replace Mabry in the future.
