

ProClip USA to Exhibit New Mobile Accessories at CES 2015 Next Week

ProClip USA Will Be Exhibiting at the International Consumer Electronics Show (CES) January 6-9 in Las Vegas, Nevada.

Madison, WI ([PRWEB](#)) December 30, 2014 -- Mobile accessory and mounting solution distributor, ProClip USA, will exhibit at the International Consumer Electronics Show (CES) next week. The show will be held in Las Vegas, Nevada January 6-9.

CES is owned and produced by the Consumer Electronic Association (CEA). The annual show brings in more than 3,500 exhibitors and 150,000 attendees from around the world. Since the first show in 1967, some of the most well-known new technologies have been debuted at this show, including the VCR (1970), DVD (1996), Plasma TV (2001), HD Radio (2003), 3D HDTV (2009), and Driverless Car Technology (2013).

ProClip USA will exhibit at booth 5135. ProClip mobile mounting solutions include [car mounts for phones and tablets](#) and custom mounting solutions using heavy-duty pedestal mounts. Some of ProClip's newest products include holders for iPhone 6, iPhone 6 Plus, Galaxy Note 4, iPad Air 2 and iPad Mini 3.

iOmounts is a new product line ProClip started to distribute within the last year. iOmounts products will be displayed in the ProClip CES booth. ProClip and iOmounts partnered to produce the iOauto and iOauto Pro. These mounting solutions combine the ProClip dashboard vehicle mount with the iOmounts magnetic phone holder to create a universal [magnetic car phone mount](#).

Other products ProClip will be exhibiting at CES include Converse Mobile Accessories, Fabriccovers and Smart Phone Rescue Kit.

Converse Mobile Accessories is the newest addition to ProClip. ProClip USA will be the exclusive distributor of Converse Mobile Accessories in the US and Canada. This line of phone and tablet cases will come in silicon, hard plastic, leather-look and canvas. The cases will feature the Converse All Star or Classic Chuck Taylor® All Star® logos.

[Fabriccovers](#) is a line of peel and stick fabric covers for the back of phones and tablets. They come in fabric, wood and leather. They are available in a variety of patterns and colors.

[Smart Phone Rescue Kit](#) is a highly efficient, anti-static drying pouch that absorbs moisture and dries out wet phones and small tablets. It's proven to be more effective than rice in drying water damaged electronics.

Don Rankin, COO of ProClip USA, says, "Over the last year, ProClip USA has expanded from a distributor of in-vehicle mobile mounting solutions to include several mobile accessory lines. We're very excited to show our new products this year, as well as to see new and innovative products from other exhibitors."

About ProClip USA

ProClip USA, Inc. is the exclusive North American distributor of ProClip retail, enterprise and in-vehicle mobile mounting solutions and accessories manufactured by Brodit AB.
