

Women In Trucking Foundation Holiday Auction Live November 30

The Women in Trucking Foundation will host its second annual online holiday auction beginning on November 30, 2015.

Plover, WI ([PRWEB](#)) November 29, 2015 -- Proceeds from the Women In Trucking Foundation auction will support the WIT Foundation by providing scholarships to women and men to begin or advance their careers in the trucking industry.

This will be a public auction in which anyone will be able to bid on the items. Auction items will consist of a variety of trucking industry products and services that appeal to all sectors of the industry. This is a great opportunity to support the WIT Foundation while doing your holiday shopping.

“As a non-profit 501(c)3 charitable organization, the Foundation relies on activities such as this public auction to raise awareness and funding for our scholarship program,” said Debora Babin Katz, WIT Foundation Board of Directors chair. “The support and contributions we received in 2015 helped us to increase the number of scholarships awarded this past year, and we hope to continue to forward the future of women's careers in transportation through activities such as this auction,” Katz added.

The auction will be open for one week, ending on December 7, 2015 at 11:45pm Central Time.
