Award-winning Car Rental Company Launches In Sin City.

Austin, TX ([PRWEB](#)) December 07, 2015 -- “North America’s Leading Car Rental Company,” Silvercar is thrilled to announce the launch of its twelfth location in Las Vegas. Silvercar will begin accepting reservations at McCarran International Airport starting today, Monday December 7th, with rentals available as of Monday, January 4th. This comes on the heels of the company’s continued accelerated airport expansion, which in 2015 welcomed Chicago, Fort Lauderdale and New York. Customers can reserve their fully loaded Audi A4 via Silvercar’s app (iPhone and Android) or online.

Sin City may be the place to gamble - but at the casinos, not when it comes to booking a car. Exclusively offering a fleet of silver Audi A4s, customers can skip the inevitably disappointing game of car rental roulette, and instead be assured that they’ll always arrive to the strip, or the convention center, in style. Ideal for business trips, bachelor parties, and everything in between, every Silvercar comes fully loaded with in dash navigation, Wi-Fi and Sirius Radio.

Save your cash for the tables, Silvercar rentals in Las Vegas are starting as low as \$69/day.
