Casanova by Rafael Hotels

As a member of Small Luxury Hotels of the World, the refashioned Casanova by Rafael Hotels debuted in Barcelona in November 2007. A chic Lobby Bar is part of Barcelona's fashionable social scene; serving up DJ's spinning the latest beats and a succulent ceviche menu against a cinematic backdrop of classic black and white films and the latest music videos. An oasis from the city, the Stone Spa offers relaxing, innovative treatments in a tranquil courtyard with an outdoor couple's cabana and four indoor treatment rooms. Casanova blends modern design with theatrical flair, mirroring the city itself.
