

Pueblo Tires & Service Launches New Website

Pueblo Tires & Service is happy to announce the kickoff of a revamped website, with enhanced usability and navigation for customers.

BROWNSVILLE, TX: ([PRWEB](#)) July 21, 2016 -- Pueblo Tires & Service is happy to announce the kickoff of a revamped website, with enhanced usability and navigation for customers. The freshly-overhauled site is designed with a new look and concentrates on what customers are looking for, with improved listings for tire inventory.

Customers searching for tires can now go by vehicle make and model or by tire brand, with comprehensive images and specs on each tire model. Pueblo Tires & Service customers can also access a blog that's updated regularly, and filled with useful information and company news for customers.

Pueblo Tires & Service got their start in Brownsville, TX in the early 1970s, and has since grown to over 12 locations around the Valley, including Alice, Rio Grande City, Weslaco, Harlingen, Elsa and more. Along with tires, Pueblo Tires & Service features a full service department that specializes in A/C repair, oil changes, brake work, transmission service and other auto repair and maintenance. You can even hear Pueblo Tires & Service on the radio, on 1170 AM KeBuena; the show airs from 4 to 5 p.m. and is called "En un Abrir y Cerrar de Ojo."

PuebloTires.com is powered by TCS Technologies. TCS Technologies, a Microsoft Certified Partner, develops and markets both off-the-shelf and custom tire software solutions, web applications, ecommerce platforms, and support and consulting services to tire and automotive service companies across the US and Canada. As the industry's only full-service technology provider, TCS has built a product base which continues to prove itself as a revenue increasing, business streamlining asset to any size tire or automotive service business. TCS has tools unmatched in the industry, and customization within each of its products to cater to the way tire dealers and retreaders do business. TCS's home office is located outside Nashville, TN with a second location in Salt Lake City, UT.
