

Wiers Opens a Truck Service Center in Louisville, KY

Wiers Fleet Partners is opening a truck service center in Louisville, KY, for repair and maintenance of light, medium and heavy-duty commercial vehicles.

Indianapolis, IN ([PRWEB](#)) November 25, 2016 -- Wiers Fleet Partners has announced the opening of a new service center located between E. Woodlawn Avenue & Hiawatha Avenue near I-65 and I-264 in Louisville, KY. Wiers repairs and maintains all makes and all models of light, medium and heavy-duty commercial vehicles and the 15,000 square foot facility is scheduled to open in December 2016.

The Louisville location is the fourth Wiers Fleet Partners service center to open in the past three years adding to the two locations in Indianapolis, one in La Porte County and the three well-established Wiers International Trucks locations in Northern Indiana - Plymouth, Lafayette and Logansport.

"We've been in this business over fifty years and know that what our customers really need is uptime for their fleet. And that's why we're connecting with our customers in a new way, utilizing advanced technology that provides real time diagnosis," said Tom Wiers, Owner & President of Wiers.

Wiers invests heavily in tooling, technology and the advancement of their employees. Technicians average more than 40 hours of training annually. Wiers technicians have won 29 awards since 2011, including an incredible seven at this year's IMTA Technician Competition in Indianapolis. As a result, 99.6% of the time Wiers fixes it right the first time increasing vehicle uptime for their customers.

Wiers Fleet Partners is not just another vendor. They promote relationships with their customers as well as the communities they serve. A portion of the sale from each job completed in the new Louisville location will be given to Ronald McDonald House Charities to help families stay close to their children receiving care.
