

## **Wal-Mart Locator Helps RVing Snow Birds Navigate Their Flight Home**

*The 2004 Wal-Mart Locator is hot off the press. This popular book reveals to 9 million RVers easy to follow directions to 3500 Wal-Mart stores.*

([PRWEB](#)) March 12, 2004 -- Can't find a Wal-Mart when you need one? While traveling in your RV have you ever needed a quick stop at Wal-Mart to stock up on affordable essentials, save money on prescriptions, or just enjoy one night's free stay?

"Uncovering the directions to the Wal-Marts helps us enormously," said an avid RVer. "It makes our traveling easy when we can find our way to a Wal-Mart in any town. We pick up a few items and spend a free night at a familiar destination."

Full timers, Bob and Jan Wiley, authors of the 2004 Wal-Mart Locator, have researched for the past few years the exact and helpful directions to every Wal-Mart from a major interstate. Just in time for the Snow Bird flight, this practical directory includes:

- \*Quick glance STATEMAPS pinpointing all towns that have a Wal-Mart
- \*Easy DIRECTIONS from an interstate taking you to viewing distance of a Wal-Mart
- \*Complete ADDRESSES and PHONE NUMBERS for convenience
- \*Helpful ZIP CODES for ease in aiming satellite dishes
- \*Useful for locating Sam's Clubs

According to Bob Wiley, co-author of the 2004 Wal-Mart Locator, "finding a Wal-Mart on the road was close to impossible before the directory was available. We save time and money when we can camp for free and shop at a Wal-Mart."
