

Gas War Heats Up Consumer Website

New Website Listing the Top 10 Lowest Priced gas stations in Bakersfield, California is making a difference

Bakersfield, CA ([PRWEB](#)) March 15, 2004 -- Skyrocketing gas prices are expected to go up to \$3 a gallon by summer, and consumers are ready to fight back. A new website is making it their business to keep everyone informed of gas prices in Bakersfield, California by listing the Top 10 lowest-priced gas stations in town. In the past week prices at 10 gas stations have dropped by as much as 0.07 cents.

For More information go to www.bakersfieldonline.us, and click on gas prices on the right side. The website is updated several times daily to keep it current.

For additional information, or to list a gas station, contact Site Manager Kyle Brown at 661-633-1949.
