EASTON, MA ([PRWEB](#)) March 24, 2004 -- Headquartered in Easton, Mass., Grillman, provider of Propane gas, gas and electric fireplaces, high-end gas grills, grill accessories as well as hearth and patio items, has recently acquired a new truck for their fleet.

Serving more than 8,000 customers, Grillman's truck fleet facilitates delivery and service calls from South Boston to Cape Cod. The new truck, a 2004 Peterbilt tank truck, will better enable Grillman to deliver to their expansive customer base in the most efficient manner possible. The new Propane tanker is equipped with the latest safety equipment including a remote shutdown system. Accommodating a large volume of business, Grillman's truck fleet includes the new Peterbilt; a regular delivery truck for grill deliveries; a service truck for pool heaters, fireplaces, etc.; a cylinder delivery truck for commercial accounts and a smaller tank truck for propane.

"We offer FREE grill delivery and setup as well as gas and electric fireplace installation and service and the large Peterbilt delivery truck will allow us to continue to efficiently cater to our growing customer base," noted Grillman Propane's Amber Tufts.

### **Get Grilling**

With the Barbecue Industry Association estimating that at least three billion barbecue events take place each year (Survey; 1999), Grillman has not only expanded their fleet, but also their grill line to include Artic Outdoor Fire Pits in gas or wood. For those "serious" grill chefs, an Artic pit is the equivalent of a gourmet kitchen.

A new study out this month (HPBA) shows New England has the highest ownership rate of gas grills in the U.S., 46 million homes have one grill, 20 million have two and over 9.8 million have three or more grills.

### **Outdoor and Indoor Warmth**

No need to head indoors when there's a chill in the air, instead keep the patio and guests warm with a chimnea or patio heater. Choose from the warm and cozy Hearthlink woodburning chimnea to the Empire gas chimnea. Or, opt for highly effective patio heaters from Vermont Castings and Desa.

Grillman carries an extensive product line of gas and electric fireplaces, which can be installed just about anywhere in the home They ignite in seconds and can be turned off in one touch when you want to leave the house. Grillman's gas fireplaces are serviced and installed by the Grillman Jeff Tufts, owner of

Grillman Propane.
