

Ecomoto announces its new Salt Lake City Location at 250 South 1300 East Salt Lake City, UT Featuring Inovative Transportation Solutions

Ecomoto, A new Alternative Transportation provider announces the lease of their new store located at 250 South 1300 East, Salt Lake City, UT

Salt Lake City, UT ([PRWEB](#)) April 2, 2004 --Jon Schlee, President of Ecomoto announced today their lease of a new location at 250 So. 1300 East Salt Lake City UT. Their new store will be the first Utah location to feature the new line of TidalForce High-performance electric bicycles and eGO Electric cycles. They will also offer EVT Electric Scooters and Twist n' Go economical gas Scooters.

“With the increasing gas prices and concerns for our valley's air quality, our product lines offer exciting solutions for both commuting and recreation” said Jon Schlee, President of Ecomoto. “We are excited to feature Wave Crest Laboratories new Tidal Force Bikes that utilize the company’s inovative WaveCrest Adaptive Motor system” “We plan to offer Solar charging systems to allow you to kick the hydrocarbon habit”.

The new store is scheduled to open April 10th. Ecomoto will showcase their product lines and offer test rides at the Clear Channel Riders Expo April 3rd and 4th at the South Town Exposition Center, Sandy Utah.
