InventHelp Inventor Designs Optimal Sun-Glare Protection for Drivers (LST-587)

InventHelp, a Pittsburgh-based inventor company, is submitting the CAR VISOR EXTENSION to companies for their review.

PITTSBURGH, PA (PRWEB) November 24, 2015 -- After noticing that the sun is always on his face when driving certain routes, an inventor from Los Angeles, Calif., decided that there needs to a better way to shield the eyes from sun glare.

Easy to use and compatible with all vehicles, the CAR VISOR EXTENSION shields a driver’s eyes from the sun in an optimal manner. This improves visibility and helps avoid accidents.

The original design was submitted to the Los Angeles office of InventHelp. It is currently available for licensing or sale to manufacturers or marketers. For more information, write Dept. 14-LST-587, InventHelp, 217 Ninth Street, Pittsburgh, PA 15222, or call (412) 288-1300 ext. 1368.
