Research and Markets are delighted to announce the addition of Continental: Company profile 2004 edition to their offering

([PRWEB](#)) June 23, 2004 -- Continental AG is the second largest automotive supplier in Europe and among the top ten worldwide. The company posted sales of $\hat{\text{A}}$ 11.5 billion in 2003, of which 61% related to original equipment (OE) sales. Continental employs 68,829 people, of whom 27,531 are based in Germany and 10,324 in North America.

Continental produces passenger car and commercial vehicle tyres, but is becoming increasingly active in developing brake systems, electronic chassis systems, and integrated starter alternator technology. Through an alliance with Yokohama Rubber Co, the partners now form one of the world's largest tyre manufacturers.
