

Faurecia is one of the global leaders in the automotive supply industry and has a turnover of more than €10 billion

Research and Markets are delighted to announce the addition of Faurecia: Company profile 2004 edition to their offering

([PRWEB](#)) June 23, 2004 -- Faurecia is one of the global leaders in the automotive supply industry. It specialises in the design and assembly of six major modules that account for up to 15% of a vehicle's value: seats, cockpits, doors, acoustic packages, front ends and exhausts.

An engineering and services group for the automotive industry, Faurecia has a turnover of more than €10 billion and employs 60,000 people. Operating 160 sites in 27 countries, the group is the second largest automotive supplier in Europe in terms of sales to vehicle makers.
