

Research And Markets - European Forecourt Retailing Markets Examined Meticulously

Research and Markets has announced the addition of European Forecourt Retailing Database, 2004 to their offering.

([PRWEB](#)) October 26, 2004 -- This is a Database comprising of an abundance of relevant Information on European Forecourt Retailing Markets.

Research and Markets (<http://www.researchandmarkets.com/reports/c7935>) has announced the addition of European Forecourt Retailing Database, 2004 to their offering.

This Database Covers over 20 forecourt retailing markets across western and central Europe. It provides you with in-depth data regarding site numbers, market shares, fuel sales, shop and car wash sales, all at the touch of a button.

This versatile database enables you to examine historic trends as well as forecasts to 2008, and compare developments in market segments and competitor performances.

The following are Reasons to Purchase this Database:

- This Database allows you to Dissect over 20 of Europe's markets into key categories including market volumes, value and network analysis.
- This Database Benchmarks over 60 fuel retailers across Europe by comparing network ownership, throughput, shop coverage and unmanned networks
- This Database allows you to plan by using national forecasts to 2008 for site numbers and fuel volumes.
