

AutoClaims Direct Opens Coverage in 19th State

AutoClaims Direct, Inc. today is celebrating the start of 2005 by announcing expansion of full appraisal services to their 1175th city in the United States.

Scottsdale, AZ ([PRWEB](#)) January 15, 2005 -- AutoClaims Direct, Inc. today is celebrating the start of 2005 by announcing expansion of full appraisal services to their 1175th city in the United States. AutoClaims Direct has now upped its coverage to 19 states nationwide delivering premier auto damage appraisal services, desk reviews and value added services like no other in the industry.

AutoClaims Direct is the only integrated auto damage appraisal and business solutions provider to the Property and Casualty industry. With a robust claims management platform providing a suite of business solutions along with top quality auto damage appraising, clients receive a full end-to-end solution to process their material damage claims.

“With our full array of industry leading services we continue to add tremendous value to our clients work processes every step of the way”, stated VP of Operations, Tara Esquivel. “We focus on being a simple, effective and quality solution to our clients. The ACD brand image is one of premier quality, unmatched technology and complete reliability.”

AutoClaims Direct is based in Scottsdale, Arizona with satellite offices in San Diego, Los Angeles, Little Rock, Atlanta, and Watsonville. AutoClaims Direct’s DirectLink claims management solution is the most advanced and easiest to use on the market. ACD service features include a full staff of auto damage appraisers and a complete desk review program which garnered a net savings of over \$ 450,000 in 2004.
