

## **Inventor Develops Accessory to Show Fan Support for Sports Teams (DHM-324)**

*InventHelp, founded in 1984 in Pittsburgh, is attempting to submit this idea, the TGF, to applicable companies for their consideration.*

PITTSBURGH ([PRWEB](#)) October 18, 2017 -- “I wanted to create a fun way to support my favorite team while driving,” said an inventor, from Winterville, N.C., “so I invented the TGF.”

The TGF provides a unique way to express support for a favorite sports team. In doing so, it offers an alternative to traditional vehicle signs and displays. As a result it could attract attention and spark conversation and it enhances fun. The invention features an eye-catching design that is convenient and easy to use so it is ideal for vehicle owners and sports enthusiasts. Additionally, the TGF is producible in design variations.

The inventor described the invention design. “My design eliminates the need to use permanent decals and bumper stickers.”

The original design was submitted to the Durham office of InventHelp. It is currently available for licensing or sale to manufacturers or marketers.
