

Pet-Lover Vehicle Accessory Invented (HLW-1853)

InventHelp, a leading inventor service company, is working to submit Bumper Tail to companies for their review.

PITTSBURGH, PA ([PRWEB](#)) November 10, 2017 -- An inventor from N. Miami Beach, Fla., has develop the BUMPER TAIL, a novelty ornament that would be placed on a motor vehicle.

"I am a pet lover and thought it would be fun to combine this love with vehicles being driven on the road," said the inventor. The BUMPER TAIL provides a humorous appearance to the back of a motor vehicle. This will lead to a fun topic of conversation with other motorists. It allows car and truck owners to personalize their vehicles. In addition, it serves as a simple and relatively inexpensive practical joke. This novelty item is the perfect gift for pet lovers.

The original design was submitted to the Hollywood office of InventHelp. It is currently available for licensing or sale to manufacturers or marketers.
