

F&I Express Adds Central States Health & Life Co. of Omaha to its Growing Network of Over 140 Aftermarket F&I Providers

F&I Express® is excited to welcome Central States Health & Life Co. of Omaha to the largest aftermarket product provider network in the country.

GRAPEVINE, Texas ([PRWEB](#)) November 03, 2017 -- CSO is a mutually owned insurance company specializing in the debt protection market. The company's vision is to be the leader in debt protection products by providing innovative solutions and value to its client institutions, agents, customers and policyholders.

CSO offers credit life and credit disability insurance, which is sold in conjunction with credit transactions to protect a variety of loans.

“We believe that our integration with F&I Express will streamline the quoting and processing of credit insurance for thousands of dealers still selling credit insurance in today's market,” said Jeff Wanning, Senior Vice President of Operations. “Credit Insurance continues to be an important component of a well-balanced portfolio of product offerings for dealers, and our commitment to the industry with a partnership with F&I Express, will enhance our ability to remain a core product.”

F&I Express has the largest network of aftermarket providers in the industry. Digital solutions from award-winning F&I Express include eContracting, eSignature, Express Recoveries aftermarket cancellations, and more. F&I Express streamlines the aftermarket process for optimized efficiency to make F&I easier and more profitable for everyone involved.

“CSO is the market leader in offering credit life and disability and F&I Express is very excited to help enable their dealers to have a more streamlined electronic process,” said Brian Reed, CEO of F&I Express. “Many of our existing dealers use CSO today, but whether it is an existing dealer or a new dealer, our partnership with CSO can provide a better, error-free e-Contracting experience.”
