

## **Autoshop Solutions Announces New Partnership with the National PRONTO Association**

### *Smart Choice Centers Member Shop Eligible to Receive Special Pricing for Digital Marketing Solutions*

APEX, N.C. ([PRWEB](#)) February 20, 2018 -- Autoshop Solutions, automotive industry leader in website design and digital marketing, announced a new partnership with the [National PRONTO Association](#). The association will receive help marketing programs that are included in PRONTO's Smart Choice Centers program, and members of the program will receive special pricing.

“We’re very excited about our new partnership with Autoshop Solutions,” said Robert Roos, Vice President of Sales and Marketing at PRONTO. “The agency offers many, top-quality solutions we’re eager for our members to take advantage of,” he continued.

PRONTO's Smart Choice Centers will have an opportunity to receive special pricing for packages with Autoshop Solutions. Services offered include search engine optimization, pay-per-click marketing, social media content and management and more, all aimed at helping the shop to get more customers and grow.

“Internet marketing is a cornerstone for business growth, which is why we’re so excited about our new partnership with the National PRONTO Association,” said Margaret Palango, Vice President and Chief Business Development Officer at Autoshop Solutions. “It is an honor to have the opportunity to offer our full suite of websites and internet marketing solutions to help shops in the program to grow their businesses and achieve their marketing goals.”
