Press Release

**NM 68 Road & Bridge Improvements
Milepost 6.863 (Alcalde) to Milepost 12.706 (South of Velarde)
CN 5100461 / 5100462**

Santa Fe—The New Mexico Department of Transportation, in cooperation with the Federal Highway Administration, is holding a public meeting to present the project design and receive input from the public. Proposed improvements include pavement reconstruction, bridge structure replacement and repair, median access control, and drainage improvements.

The meeting will be held **May 17, 2018 at Alcalde Elementary School Student Library** and will begin with an open-house to discuss the project design with the Project Study Team at 6:00 PM and a presentation at 6:30 PM. Your attendance and input is important to helping the team finalize the project design. All interested parties are invited to attend. Written comments will be accepted at the meeting or can be sent (by May 31) to:

SWCA Environmental Consultants
5647 Jefferson Street NE
Albuquerque, NM 87109
or fax: 505.254.1116
or jhyre@swca.com

To request Americans with Disabilities Act (ADA) accommodations for this meeting, please contact Jennifer Hyre, SWCA, at least two days before the meeting: (505) 245-1115.

**Thursday, May 17,
2018**
