NMDOT Transporting a Transformer

Albuquerque, NM – The New Mexico Department of Transportation announces that a large transformer will be moved this weekend Sunday, July 15, 2018 through Albuquerque metro area. The transport of the load will be starting on 2nd St. & Trumbull Ave. and will eventually deliver to a substation located off of Eubank near the Air Force Base. All local routes traveled will be closed off by APD and NMSP to conduct traffic control. They will also be closing a small portion of I-25 near the Gibson/I-25 Interchange for the load to cross the median from Southbound to Northbound.
